Relief Ornaments

FISH
URNS
BIRDS
BOATS
FRIEZES
FIGURES
CAPITOLS
COLUMNS
COAT OF ARMS
HISTORICAL SERIES

AN INTERESTING ASSORTMENT of these relief ornaments are always on display in our showroom in finished and unfinished state.

We shall be pleased to show visitors how they are used.

Our showroom is open from 9 to 5 everyday except Saturdays.

There is an immense variety of ideas in decoration that can be developed with the aid of these ornaments and they can be handled with ease.

CATALOGUES—We will send a complete catalogue of 250 pages of pictures of our Relief Ornaments on receipt of cash deposit of \$2.50, which will be refunded on the return of the catalogue.

A supplementary catalogue containing 16 pages of pictures will be sent on receipt of 35c. in cash or stamps.

We will gladly refund this sum on the return of the catalogue.

These books are worth while to every person in the interior decorating business and we should be pleased to have your further inquiries on relief ornaments.

RELIEF ORNAMENTS

AN HISTORIC PRODUCTION

THE CRUSADER SERIES

No. 1

The Crusaders on the road to the quay, with suggestion of castle in the background. The leader is holding up the hilt of his sword which suggests a cross and symbolizes their holy mission.

No. 2

At the quayside, receiving their final blessings before embarkation. Suggested troops, through gateway of city walls. Ships to right. The cross crosier of the bishop should be a dominating feature which echoes the series. The leader is kneeling in homage.

No. 3

THE BATTLE

Depicting one of the final victories after centuries of disappointment, suffering and strife.

SEE OTHER SIDE CONCERNING CATALOGUES.

THE STORMBREAKER

LATTICED TYPE ROOF

Crushed Slate Surface in Colors

No skill required. Anyone can lay such a roof in less time than any other type.

The simplest, yet the strongest, most practical roof of absolute water tight quality. Built in two separate layers, a foundation layer and top layer, giving double security and double life.

Sealed with translucent waterproof cement. All vertical strips and lattice work secured with bronze screws. Patent textile reinforced waterproof gutters for valleys and dormers.

Models are shown at our—**EXHIBITION BUILDING**
